

Sandton, Gauteng

Established Montessori School for Sale - Turnkey Opportunity

This fully operational pre-primary and primary school presents a rare opportunity to acquire a well-established educational institution as a going concern. Ideally located in a sought-after area, the school enjoys a strong reputation and consistent enrolment, supported by solid brand recognition within the community. Currently operating under the Montessori philosophy, it offers a holistic and child-centered approach to education, making it highly appealing to modern families. The school is run by a qualified and experienced team of educators and administrative staff, ensuring seamless day-to-day operations and a high standard of learning. The property is fully compliant with all relevant educational regulations, providing confidence and peace of mind to prospective buyers. Facilities include well-equipped classrooms designed for effective teaching, administrative offices for efficient management, and excellent outdoor amenities such as a swimming pool, tennis/basketball court, and a spacious hall for events and activities. With its strong foundation and existing infrastructure, the school allows for immediate continuation, while also offering significant growth potential through expanded enrolment, additional programs, or facility enhancements.
