Renovated 2 bed at Doonside Beach

12; Sunsands; 7, Beach Road, Doonside; Kingsburgh

This two bed unit has been completely renovated to create a lovely open plan living area with a brand new kitchen with gray quartzite tops. The renovation has been superbly done with quality finishes to create a very cosy home that is easy to live in. This is a first floor unit with a HALF flight of stairs up from the building entrance.

There are views over Doonside beach with direct access. Lovely 600 mm x 600 mm sand colored tiles throughout make the space feel bigger and the brand new built in cupboards in both bedrooms with smooth sliding doors are superb. These cupboards are great!

The main bedroom faces the sea with views. The second has a window facing the landing.
