4 Bedroom House To Let in Brooklyn

R40,000 pm

## Home in the heart of Brooklyn

This lovely four bedroom home is located in a 24 Hour security boomed off area, in a complex of four homes. This home has good safety measures in place as well as an inverter system installed for back up power.

The home welcomes you with a large glass front door and offers light throughout the living areas downstairs with a study and a guest bathroom, the lounge and dining areas lead onto a covered patio with a built in braai area surrounded by a neat garden. The kitchen is separated from the living areas with a walk-in pantry and a separate scullery.

Upstairs are all four bedrooms, the main bedroom is en suite with a small balcony and the three well sized bedrooms with ample cupboard space sharing a full bathroom. Air Conditioning throughout the house, gas fireplace in the living area,
