

45Ha Small Holding For Sale in Winterskloof

R3,950,000

Vacant Land with Panoramic Views

This exceptional property offers a rare opportunity to own prime agricultural land set against a backdrop of breathtaking panoramic views. It currently has established eucalyptus trees offering potential income from timber or firewood.

Ideal for livestock farming, with ample space to establish grazing pastures or additional infrastructure.

Expansive views that stretch across rolling hills and serene landscapes, making this land not only functional but also a visual masterpiece with a quarry below.

Conveniently located near nearby towns, roads, and landmarks, ensuring ease of transport and access.

Spanning two expansive portions.
Portion 1: 82 hectares

Lounges

Land Size 45Ha
