

8,000m² Vacant Land Sold in Winterskloof

R1,350,000

8000m² VACANT LAND IN WINTERSKLOOF

This 8000m² vacant flat land is a rare find with plenty of extras already in place. The flat, spacious land offers stunning views of the forest and surrounding Winterskloof area. It features a newly built high boundary wall with a big palisade gate, front palisade fencing, and a pedestrian gate for added security. The property has a tarred entrance and parking area, as well as beautifully constructed retaining walls perfect for gardening.

Structures include a charming thatched enclosed lapa, two raised wooden huts, and four large animal shelters that have been used for sheep, chickens, and geese. The land is fully equipped with solar-powered lighting, ensuring the property is well-lit at night. Water is abundant, thanks to a 10,000-litre JoJo tank with a solar pressure pump and a solar borehole pumping 800 litres per hour, providing private and unlimited water access.

Rates R723

Pets Yes

Land Size 8,000m²
