ABOUT US

Ask any Renprop client and you'll see - Renprop is clearly differentiated in the market, from the value added services we offer to the way we deliver them. No other property company represents such a total-thinking, wide range of opportunities under one roof. It's about a complete end-to-end solution that is complemented by our personalised service.

The power of one property company that offers a truly integrated approach to the many facets of property. One company that goes beyond providing services to deliver total solutions in every aspect of the property market. So that far from simply meeting your needs, we offer you opportunities you perhaps haven't yet thought of.

Renprop is a South African property company that is set apart in the market by its unique approach of divisionalised diversity. Highly-specialised units geared to focus on your total and varied property requirement.

From commercial development and brokering to residential development, sales and rentals. From multi faceted management solutions to affordable housing development.

Diversity. Distinction. Solution-Driven.

This is the Renprop Difference.
